

# Explore THE DOMINICAL VIEW

Dominical is one of few beach towns in Costa Rica that still maintains a rainforest feel. Between the massive circumference of its trees, vast range of foliage and abundant wildlife, Dominical is about as exotic as it gets. If you're looking for a balance between relaxation and adventure, Vista Dominical Estates is the perfect place for you.

As an ecological and sustainable luxury development, Vista Dominical Estates has low-density construction, expansive lots and a plethora of nearby attractions. Paradise isn't far when all you have to do is step outside your front door.
